### THE DOCTORAL THESIS PROPOSAL

Candidate Name \_\_\_\_\_

Degree Program \_\_\_\_\_

On a separate sheet of paper, please give a brief description of the following:

1. Title of the doctoral thesis; brief (100 word) description.
2. Describe the scope and purpose of the thesis, indicating the discipline(s) employed and how it is an original undertaking distinct from other works previously done in the field.
3. Identify a published (or equivalent) work of importance in this field that will serve generally as a model for the final shape of the thesis when submitted.
4. Submit a copy of your resource bibliography as developed to the present time.

Proposals must be submitted by mail to the Foundation's general address, or by email to the Office of the Registrar ([registrar@gtfeducation.org](mailto:registrar@gtfeducation.org)). You will receive notification of approval or revisions needed by email within approximately one week.
