THESIS SUPERVISOR'S REPORT FORM

Student's Name: _____

Degree Program: _____

Thesis Supervisor: _____

Institutional Affiliation: _____

Post held and Title: _____

You are not responsible for determining whether the student will be successful in obtaining the degree being pursued. You are specifically being asked to lend your name to this work as a worthy doctoral-level effort in research scholarship and academic acumen.

The above named student will submit a doctoral thesis in partial fulfillment of work for the doctoral degree being taken at the Graduate Theological Foundation in Indiana. After completing all course work, this student has undertaken the research and writing of this doctoral thesis in his/her field of specialization. It must be clearly a work of original academic scholarship making a contribution to the field of specialization. Please examine this thesis as a demonstration of the capacity of the candidate to engage in significant professional scholarship and thus be a peer to other scholars in the field. At such time you feel the student is ready, and the thesis is complete, you are **asked to respond and critique the completed document in the following areas of performance. Please mail your 1-3 page typed report, with this form, directly to the Foundation's general address, or submit by email to the Office of Academic Affairs (academicaffairs@gtfeducation.org). Stipend will only follow if the following points are addressed in your report:**

1. General Statement of the Problem and its Research Parameters
2. Synoptic Summary of the History of the Relevant Literature
3. Research Methodology
4. Presentation and Analysis
5. Summary of Original Contribution to the Field
6. Work Yet to be Done - Limitations of the Study, Implications, and Yet to Do

Thesis Supervisor's signature: _____
